Brian W. Ashbaugh is a partner and trial attorney whose practice emphasizes construction litigation. He is admitted to practice before the state and federal courts in Pennsylvania, the Court of Appeals for the Federal Circuit and the United States Supreme Court. He is also admitted to practice before the United States Patent and Trademark office.

Mr. Ashbaugh represents architects, engineers, contractors, bonding companies, and public and private owners. He has successfully defended and prosecuted cases on behalf of all of the above construction industry representatives. Claims have included payment and performance bonds, mechanics' liens, delay, extra work, professional negligence, indemnity, lost profits and property damage. He has also defended blasting damage and dam operation/flood claims. Mr. Ashbaugh provides contract negotiation, preparation and review services for public and private owners, architects, engineers and contractors.

In addition to construction litigation, Mr. Ashbaugh has litigated patent, trademark and copyright infringement cases, and counsels individuals and companies on patent, trademark and copyright matters.

Mr. Ashbaugh is a member of the Panel of Neutrals Construction Panel of the American Arbitration Association, the Panel of Arbitrators of the National Arbitration Forum, the Panel of Arbitrators for the Construction Arbitration Service of Western Pennsylvania and is a registered professional engineer in Colorado and Virginia.

Mr. Ashbaugh was shareholder/partner/associate with Rose, Schmidt, Hasley & DiSalle, P.C. from 1977-2001. Prior to his admission to the bar, Mr. Ashbaugh served on active duty as a commissioned officer in the Army Corps of Engineers from 1966 to 1977 and in the United States Army Reserves from 1977 to 1987.

Mr. Ashbaugh's hourly rate for service as an arbitrator is \$325 per hour for hearing time, preliminary conferences and study time.
