Mr. Wyckoff has been actively engaged as a civil litigation attorney for over 30 years handling matters on behalf of both Plaintiffs and Defendants. A substantial part of his practice, dating back to the late 1970's, has been in the representation of Surety companies in construction project disputes. Because of the somewhat unique position of the Surety recognizing its obligations to its Principal, the Owner and claimants, Mr. Wyckoff has had the opportunity to view construction disputes from multiple perspectives and often has been instrumental in bringing parties together to resolve matters in dispute.

Over the years, Mr. Wyckoff has been involved in matters pertaining to contract interpretation, assessment of design and construction failures, project takeover and completion and general evaluation of associated damages being claimed.

Mr. Wyckoff's hourly rate to serve as an arbitrator is \$200.00 per hour. For out of town arbitrations, expenses incurred in connection with travel/lodging/meals are charged in addition to any hourly fee that is charged.
